

Library Information & Educational Websites

The Cancer Resource Library is located next to the main lobby. It is open Monday - Thursday, 9:00 to 3:00. The library has books & audiovisuals to check out, brochures, and treatment information. There are two public computers available, a comfortable seating area, and a daily newspaper subscription.

Some websites we recommend:

www.caring4cancer.com

Register, and please let us know when you do register.

www.chemocare.com

This site has information on all aspects of chemotherapy including chemotherapy medications and side effects.
