The Santa Barbara Breast Care Alliance's July 13 lecture on "Breast Cancer Care in our Community" drew a healthy crowd. (Santa Barbara Breast Care Alliance photo)

July 13 event touches on breast cancer detection, treatment and survivorship

More than 50 local women and men attended [Santa Barbara Breast Care Alliance](#)'s educational lecture "Breast Cancer Care in our Community, Real Case Reviews" on July 13.

Information about breast cancer detection, treatment and survivorship was covered, and the presentation offered an inside look at the collaborative approach to breast cancer care in the community.

Friday, July 29, 2011

Presenters included local physicians Winnie Leung, John Blaustein, Kim Grafton, W. Warren Suh, Fred Kass and Ron Latimer, and [Cancer Center of Santa Barbara](#) nurse navigator Tammy Stockero, who recently marked one year in her role of navigating patients through their breast cancer experience.

The Santa Barbara Breast Care Alliance will present two additional community lectures, for free, on Sept. 14 and Oct. 26 at [SBCC](#).

[Click here](#) or call 805.898.2119 for more information.

The Santa Barbara Breast Care Alliance is a [NAPBC](#)-accredited “breast center without walls” created by an alliance among surgeons, medical oncologists, radiation oncologists, radiologists, pathologists and plastic surgeons along with the Cancer Center, [Cottage Health System](#) and [Sansum Clinic](#) to deliver a multidisciplinary approach to women with breast cancer.
